MILLER BROTHERS SALE OF

Scotch Short Horns

To Be Sold Under Cover
At The Fair Grounds

Britt, Iowa

*Auctioneers: the Cols. Kraschel,
Milne, Halsey and Matern*

A Choice Consignment

Breeders and prospective buyers of Short Horns wanting the best that any of the season's sales afford, should make arrangements to attend the third annual auction from the herd of Miller Bros.

The pedigrees found between the two covers of this catalog will impress the critic. This Gazette representative can assure those who will attend, that the individual qualities of the cattle is of the same high order of merit.

Miller Bros. have made a conspicuous success in the breeding of Short Horns. They have at the head of their herd one of the best bulls of the breed in Maxwalton Javelin, a son of Avondale and I doubt very much if there is another Avondale bull that is sireing a better class of calves. His get in other sales have been good enough to command top values and when a bull can sire calves of such merit, it is the good proof that his blood is the breed improving kind. This consignment is good, choice bulls and a collection of females, with calves by Maxwalton Javelin and My Chief, is listed, a high class bull, a grand son of White Hall Sultan and whose quality will recommend his use in any herd.

The cattle sold by Miller Bros. are the good kind to buy.

They make good for the buyer and when this is said all is said for the buyer is the man to satisfy.

"Rudy" Miller has returned from the battlefields of France with as clean a record as any man who ever enlisted for service in his country's welfare. "Rudy" is to be a permanent fixture in Short Horn breeding from henceforth and his efforts I am sure will be appreciated.

Come if you can and you will see a high class offering in every way.

(Signed)

FRANCIS T. MARTIN.
With the Breeder's Gazette.

Guarantee—We believe all animals in the catalog to be breeders. Cows sold with calves at foot or showing safe in calf are considered breeders, and no further guarantee on same; but cows lately bred and open heifers must be producers, but on failure to breed may be returned to us at purchaser's expense, and should such animal fail to breed after six months' trial, an animal of equal value will be given in its place. Bulls are guaranteed breeders when properly cared for and not allowed to run with the herd. Should any fail to breed he must be returned to us, and if he fails to prove a breeders for us, another of equal value will be given in exchange. Complaints must be filed within six months from date of sale.

Pedigrees—A transfer certificate of registry in the American Short Horn Herd Book will be furnished for every animal, with the exception of the young calves sold with dam, and there will be furnished with these a pedigree in the application form ready for registry.

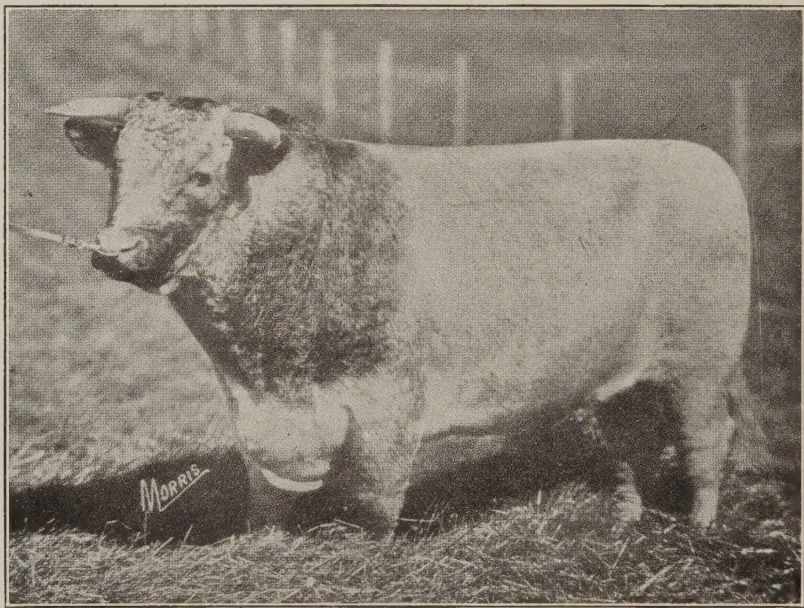

Terms—Cash or short note bearing 8 per cent interest. Please bring bank reference as all arrangements must be made with the clerk, C. W. Erwin.
